VIRTUAL SCAVENGER HUNT

Early this year our new website went live, filled with all sorts of great information for our members. We are holding a "VIRTUAL SCAVENGER HUNT" in an effort to get more website traffic, and to let our members find some of the great information we have put there, all while providing you something new to do while practicing safe "Social Distancing." It is pretty simple and straight forward, but will require you to hunt around.

Fill in the blanks below answering the following questions.

All the answers can be found somewhere on our website at [www.pvacc.org](http://www.pvacc.org).

**First 20 people to correctly answer all the questions below will win \$25** to help you out during this Coronavirus Crisis. Simply scan your completed and correct answer sheet, or take a picture of it and email it to [info@pvacc.org](mailto:info@pvacc.org). *(Funds will be sent to members via EFT or Visa Gift Card)*
